

# Duas for Rain

1. If there is no rain (and there is drought) then people should sit in the Tashahud position and recite the following:

يَا رَبِّ ، يَا رَبِّ ، اللَّهُمَّ اسْقِنَا اللَّهُمَّ اسْقِنَا اللَّهُمَّ اسْقِنَا اللَّهُمَّ  
أَغْنِنَا اللَّهُمَّ أَغْنِنَا اللَّهُمَّ أَغْنِنَا

*O my Sustainer! (Have mercy) O my Sustainer! O Allah! You quench us. O Allah! You quench us. O Allah! You quench us. O Allah! Send rain. O Allah! Send rain! O Allah! Send rain.*

2. The following du'aa should also be made:

اللَّهُمَّ اسْقِنَا غَيْثًا مُغِيثًا مَرِيًّا مُرِيْعًا نَافِعًا غَيْرَ ضَارٍّ عَاجِلًا  
غَيْرَ أَجَلٍ رَآئِبٍ

*O Allah! Send us such rain which is abundant (need-fulfilling), pleasant (beneficial), productive (which is profitable), unharmed, early (and such rain which will come quickly), undelayed.*

3. And also make the following du'aa:

اللَّهُمَّ اسْقِ عِبَادَكَ وَبِهَائِمَكَ وَأَنْشُرْ رَحْمَتَكَ وَاحِي بَلَدَكَ  
الْمَيْتَ ، اللَّهُمَّ أَنْزِلْ عَلَى أَرْضِنَا زِينَتَهَا وَسَكْنَهَا

*O Allah! Send rain upon Your servants and animals, spread Your Mercy (rain) on all sides and revive (put life) in Your land (which is dry) into lush and green pastures. O Allah! Send upon our earth its beauty and its peace and comfort (tranquility).*

1. Umar Farouk Radiallahu anhu, at the time of drought, made du'aa for rain and sufficed only upon making Istighfaar.

This means that without namaaz, the du'aa for rain can also be made. Istighfaar has a great effect in the du'aa for rain. In fact, the acceptance of the du'aa for rain depends upon Istighfaar.

2. **Durood** should be recited abundantly as this brings down the mercy of Allah.

3. **Sadaqah (charity)** brings Allah's mercy as well.

1. When one sees clouds gathering in the sky then read the following du'aa:

اللَّهُمَّ إِنَّا نَعُوذُ بِكَ مِنْ شَرِّ مَا أُرْسِلَ بِهِ ، اللَّهُمَّ سَيِّبًا نَافِعًا

*O Allah we seek refuge in Thee from the evil of that which these clouds bring, O Allah make this rain one of goodness and blessing and one of benefit.*

If it rains then read the following du'aa thrice:

اللَّهُمَّ صَيِّبًا نَافِعًا

*O Allah! Send us plenty of beneficial rain.*
